RE: Treatability Study Work Plan  
Standard Chlorine, Delaware City Facility

Dear Ms. Lose:

Enclosed please find three copies of the Draft Treatability Study Work Plan submitted by Roy F. Weston, Inc. on behalf of Standard Chlorine of Delaware, Inc., for the RI/FS program being conducted at the referenced site. As we have discussed, Standard Chlorine requests an expeditious review of this document by the EPA so that we may proceed with this important treatability study in a timely fashion.

If you have any questions or review comments, please do not hesitate to contact us.

Very truly yours,

ROY F. WESTON, INC.
